Bulky waste is e.g. broken household goods, furniture, and large pieces of cardboard that do not fit in the waste bin or the hazardous waste cabinet.

What do I do?

1. Order pick up at kredslob.dk/bulkywaste
2. Prepare your bulky waste
 - Mark bikes and others wheeled items with "storskrald"
 - Bundle up larger cardboard items
 - Paint must be placed in a clear bag
 - Sort small items in a clear bag
3. Place the bulky waste outside the evening before pickup.

Don't place bulky waste up against the container.

Can your stuff be reused?

Then it's not bulky waste. Pass it on or give it to charity.
