

Do you know your waste?

Sort your waste into five bins

Plastics, food- and beverage cartons

Paper, cardboard, and textile waste

Food waste

Residual waste

Glass and metal

Batteries and hazardous waste

See where you can drop off hazardous waste at kredslob.dk/byskab

Is your waste too large for the bins?

Get your bulky waste picked up easily and for free.

Bulky waste consists of your broken furniture and items that cannot be recycled or disposed off in the waste containers.

Order bulky waste pickup to your address at kredslob.dk/bulkywaste

If your things are still usable, donate them to them to charity.
Drop them off at either Nærgenbrugsstationen, your local charity shop, or give it away online.
